He was chairman of the Department of Religious Education from 1959 to 1963, just prior to receiving his appointment to the present position. He has served as director of public relations, assistant to the president, and director of institutional services at H-SU.

Door to Door Street Sign Fund Drive Opens Tonight

Local Jaycees and their wives who are members of the Jayceeettes will go house to house tonight (Thursday) to collect money to place 273 new street markers in the city, according to Bill Early, president. The drive will start at 5 and end at 9.

Early said that the workers might not be able to contact all of the houses in town tonight but that they would be contacted as soon as possible. Checks should be made out to the "Jaycee Street Marker Fund". This is a donation and is deductible for income tax purpose.

Each solicitor will have a badge with their name attached. No receipts will be given Hamlin B.C.D. but a record of the donation will be kept.

Anyone missed in the drive may mail their check to the drive. The drive is being sponsored by the Hamlin Board of Community Development.

Hamlin Jaycees and Jayceeettes in cooperation with the City of Hamlin.

The new street markers, large black letters on white background, will cost approximately \$11 each. They will be set on new posts in concrete.

The plan is for the city to pay for the signs on Lake Drive and Central Avenue with donations paying for the balance of the signs. Since there will be two signs on the two main thoroughfares at each intersection and only one sign at the rest of the intersections the city will be paying for approximately half of the project.

The new markers will replace the present markers and will be placed on streets that are not marked now. There will be no change in street names or numbers.

Hamlin Schools Seeking \$23,145 In Federal Funds to Aid Students

The Hamlin Public Schools have made application to the State Department of Education for \$26,145.00 in Federal Funds to aid students who are behind in reading, according to Supt. C. F. Cook. The funds are granted schools that qualify under the Elementary Secondary Education Act.

Under the Act Federal funds are available to expand and improve elementary and secondary school programs for educationally deprived children in low-income areas. The Hamlin Schools, according to the 1960 census, has 165 children from low income families, less than \$2,000.00 per year.

Although low-income identifies the attendance area to be served and determines the number of children to be served, educational deprivation determines who is to participate in the reading project.

The principals and teachers have made a survey of the first five grades of the Hamlin Schools and found that there are 17 children who are from one to two years behind in reading. This program will be instituted to help these children with specially qualified teachers. The program, to qualify, must be in addition to any program the school has now.

The Hamlin school salary scale will be used. The teacher aids must have at least a high school education, and preferably some college work with a salary of \$225 per month.

Cotton Farmers to Vote Tuesday On Marketing Quotas for 1966

Notices of individual farm acreage allotments for the 1966 upland cotton crop have been mailed to farmers in Jones County, according to A. Darwin Hill, Chairman, Agricultural Stabilization and Conservation County Committee. Jones County received an allotment of 105,030 acres for distribution to growers in producing their 1966 upland cotton crop. This represented the County's share of the national allotment acreage of 16.2 million acres, including a national reserve of 200,000 acres to take care of minimum farm allotments. Mr. Hill stated that any question about the allotments should be taken up immediately with the ASC County Committee.

The Chairman declared that the intention is to let farmers know how the allotment program will affect their farms prior to November 23 referendum on marketing quotas for the 1966 upland cotton crop. The law requires a favorable vote by at least two-thirds of the growers voting in order to keep marketing quotas in effect.

Polling places where County farmers may cast ballots in the referendum on marketing quotas for the 1966 upland cotton crop have been announced as follows: Hamlin, Hamlin Coop Gin Office; Stamford, Farmers Coop Gin Office; Avoca, Douthitt Gin Office; Funston, Funston Gin Office; Hodges, Hodges Coop Gin Office; Noodle, Noodle Gin Office; Neinda, Neinda Coop Gin Office; Anson, ASCS Office.

Polls will be open from 8:00 A. M. to 6:00 P. M. on Tuesday, Nov. 23.

Growers eligible to vote in the referendum are all those farmers who engaged in the production of upland cotton in 1965.

If the vote is favorable, Mr. Hill explained, quotas will apply to the 1966 upland cotton

crop, with penalties on any excess cotton produced; loans and price-support and diversion payments will be available to growers who reduce their acreage at least 12.5 percent below the farm allotment, put the diverted acres into a conserving use, and meet other program provisions. Growers who elect not to participate in the reduction program will be able to apply for a share of an export market acreage reserve and to grow and export all their cotton without Government subsidy and without marketing quota penalties.

If the vote is unfavorable, he added, there will be no quotas or penalties on the 1966 upland cotton crop, no price-support or diversion payments, no export market acreage reserve, but price-support loans to growers who do not exceed their farm acreage allotment will be available at 50 percent of parity. Lease or sale of cotton allotments will be permitted under certain conditions, and the November 23 referendum will also decide whether growers wish to permit such transfers outside the particular county but within the State. The outcome of the marketing quota referendum will have no effect on the lease or sale of allotments within the county.

Issues to be decided in the November 23 referendum are (1) quotas or no quotas, (2) the price-support available, and (3) whether the board new program is to go into effect for 1966-crop upland cotton.

Singing Sunday

The Jones-Fisher County singing will be held at the Foursquare Gospel Church Sunday at 2 p.m.

Many good singers are expected and the public is invited.

Hamlin Opens Basketball At Eula Tonight

The Pied Pipers and Piperettes will open the basketball season tonight (Thursday) when they travel to Eula. The Boys B Team will open the action at 5:30 to be followed by the Piperettes and then the Pipers.

The Pipers, coached by Earnie Reusch, face a rebuilding job this year as they have only one starter back from last year, James Ledbetter.

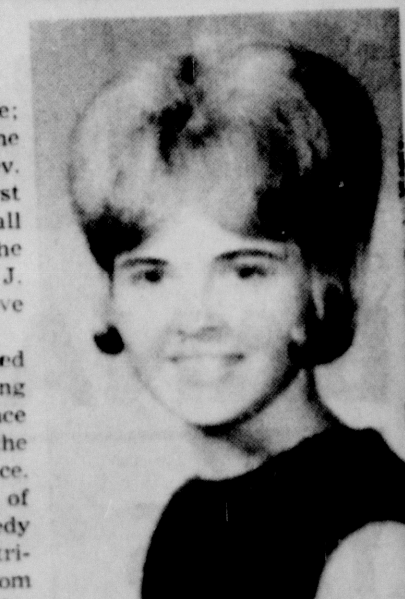

The Piperettes, coached by Dan Truelove, have last year's entire team back again this year. Returning guards are: Donna Compton, Glenda Hudspeth, Pauline Womack and Kay Hodnett. Returning forwards are: Judy Jenkins, Linda Bailey, Pauline Lakey and Margaret Cooper.

The basketballers will play their first home game Tuesday as they entertain Avoca.

Booster Club Elects Officers

New officers were elected at the final meeting of the year of the Pied Piper Booster Club Monday night. Johnny Hester was elected president for the coming year.

Other officers elected by the organization were: Gerald Young, vice president; Ewell Mackey, secretary-treasurer; C. R. Dansby and James Wright, directors. Sam Ferguson, outgoing president, will go on the board of directors.

FFA SWEETHEART — Cynthia Stephens was named FFA Sweetheart at assembly last Thursday. A senior and daughter of Mr. and Mrs. H. D. Stephens, she will represent the local chapter on various occasions during the school year. She will compete for sweetheart of the Stamford District FFA Association next spring and also represent the chapter as its nominee for Sweetheart of the West Texas Fair next fall.

FAIRVIEW NEWS

By Mrs. Elmer Joiner
After almost a week of damp weather last week the sun is shining and cotton stripping is in full swing again. Only about two afternoons last week were dry enough, so not much was accomplished. Very few fields have not been defoliated, so the most of them are ready to go, providing the weather permits.

Last Wednesday night the representatives from the Neinda, Hanna and Fairview Churches, met at the Fairview Church to plan the Brotherhood and W. M. U. between the three rural churches, since neither church is strong enough in numbers to support either of the organizations. Tuxedo was also invited to attend but they were not there, the invitation is still open to them if they wish to come in later. Forty three attended the initial meeting.

It seems that the men got organized, with Rev. Bob Watson, Hanna pastor being elected as president of the brotherhood. They will meet once a month, alternating between the churches, the first meeting to be held in the Neinda Church, Wednesday night, Dec. 8.

The ladies will meet twice a

month, one time in the day time and one time at night, when the brotherhood meets. The first meeting will be Wednesday morning, Nov. 24, 10 a.m., in the home of Mrs. Fred Rosenbaum, at which time they will elect officers. Some of the women work and cannot come to the day service, some could not come at night, so to try to do the best we can with it, it was set up for one meeting in the homes in the days and the other will be at night when the men meet, that way every woman can at least attend one time a month, of course a good number can attend both meetings. This is something new that is being tried in the rural churches, for since they are missing so many things, because of being small, we hope to make this a strong, working thing.

Several visitors were in church Sunday morning, some were not exactly visitors, the Jack Wrights, from Abilene, were back home. Little daughter, Melinda, went to town to church with her grandmother Wright.

Little Kimmy and Kristy Leverett were very happy to have their grandmother Tanner with them in church, Sunday morning. Mrs. Tanner had come over from Abilene, for she and the Leveretts to attend the birthday dinner, honoring her mother, Mrs. J. E. Begley, also of Abilene, in the home of Mr. and Mrs. Stanley Jackson, Sunday. Mrs. Begley will be remembered as the former Mrs. Polly Jackson, who resided at Neinda many years prior to the death of Mr. Jackson. Others present, besides the honoree and her husband, Rev. Bagley, were the Kenneth Leverett family, Mr. and Mrs. Jackson and girls, Mr. and Mrs. Vernon Harris, Mrs. Albert Galloway, Mrs. Harris and Mrs. Galloway are sisters of hers.

Nancy Ford made it home again this weekend, from Denton, where she is attending school.

Visiting in the Fred Rosenbaum home last week were Mrs. Rosenbaum's aunt, Mrs. Mary Downey and her daughter, Mr. and Mrs. Andy Bear-den, all of Clifton, Texas. They had come to visit Mrs. Renfro, who is in the Hamlin Hospital, after having suffered a stroke.

Mrs. Elmer Joiner and Mrs. R. E. Ray went to Abilene last Thursday and drove Mrs. Lois Hampton to the Rehab Center, for a treatment.

Mrs. Fred Rosenbaum visited with Mrs. Flavil Holmes, last Friday afternoon.

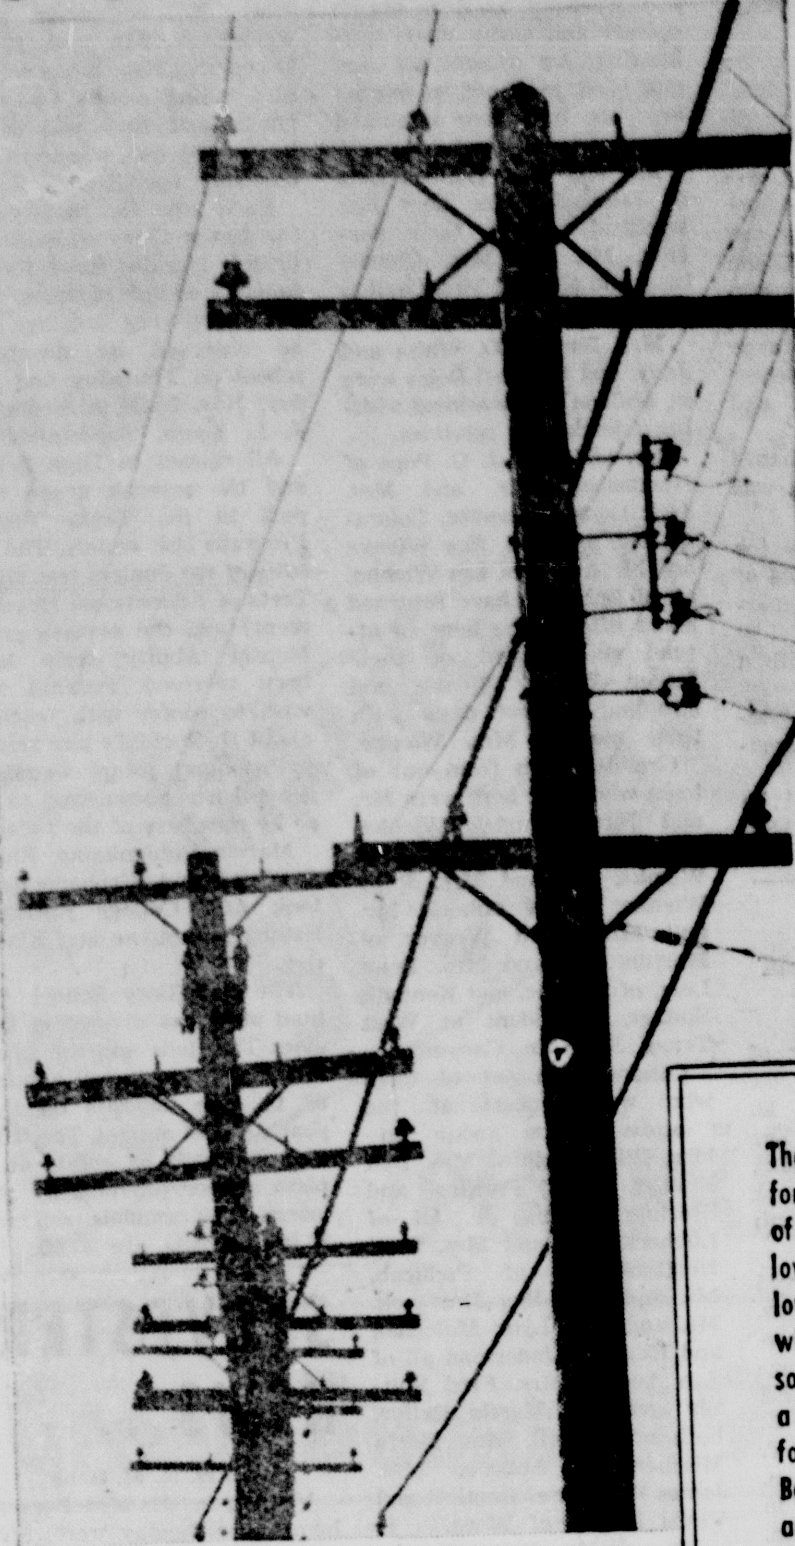

Mrs. Roy Dillard was buried this Monday morning, after having passed away Saturday morning from a heart attack. Services were held in the First Methodist Church, in Hamlin, with burial in the Hamlin cemetery beside her husband who passed away in 1960, also a victim of a heart attack. Mrs. Dillard, the former Jewel Williams, lived in this community at one time before her marriage to Mr. Dillard.

Since the men are so busy gathering cotton that if it is pretty would not stop long enough to quit early, even for a Thanksgiving supper so the Family Night committee has set up a new thing this month, since it is close to Thanksgiving. This coming Sunday we will all bring our lunch and eat together at the church, some of us have been discussing this for some time, we think it will be very nice. It will be a pot luck affair, every one bring a covered dish or two and put it all together. Any visitors wishing to come be with us are welcome to be there, you can come and bring a dish or come without one, we can almost safely say that you will have plenty to eat.

Mrs. Leverett will be the pianist for the revival at the Central Avenue Church, this week. We all hope to attend some of their services this week, for we learned to love their pastor, Rev. Bill Irvin, last summer when he preached at our revival, also many of their members.

The San Antonio "Express" took its name from the Alamo Express, first published in San Antonio in 1860 as a Union newspaper, but destroyed in 1861 by secession sympathizers.

COMMUNICATION

Telephone lines spread across our nation, giving us immediate contact with loved ones. Vital business is rapidly contracted through this medium.

Our linkage to God is prayer. Through prayer we can express our love, our thanks, and seek God's help.

"Hearken unto the voice of my cry, my King, and my God: for unto thee will I pray."

Attend church, join others in fellowship and prayer to God.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Anson Scored in Every Quarter Friday Night to Down Pipers, 28-8

Anson scored in every quarter Friday night to down the Pipers, 28-8 in the season's final for both teams. Hamlin's lone touchdown came early in the last quarter. The Pipers had two drives fumble out on them when they lost the ball via the fumble route.

While the Pipers were able to contain the Tigers ground attack, their passing game kept the Pipers in trouble. The Tigers scored one TD from the air and gained most of their yardage to set up two other scores with air strikes. Only on their final drive did they stay on the ground.

Top offensive gainer for the game was Anson's Daril Pineda with 80 yards in 21 carries. Top for Hamlin was Sammy Ferguson with 62 yards in 13 carries.

The game opened up with a punting and quick kicking duel with both teams kicking twice before Anson took to the air with Pineda driving in for his final five yards on three plunges. The extra point try failed.

The Pipers drove back down to the Anson 25 before giving up the ball to Anson at the 22 on a fumble.

Anson moved back down the field to score early in the second quarter with Craig Huber passing to End Mike Brown for the score. The play covered 26 yards. Pineda carried in for the two points.

Hamlin drove from its 20 down to the Tiger 29 before fumbling again.

Anson recovered a Hamlin fumble on the Piper 38 to set up their next score. A 29 yard pass play from Huber to Mike Puschel was the big gainer with Gary Don Boyd going for the score from the eight. Eddie Andrus kicked the point after.

The Pipers recovered a Tiger fumble on their own 36 to open up their scoring drive late in the third period. Facing a third and eight situation, Paul Long connected with James Ledbetter for eight yards and Anson drew a 15 yard penalty to give the Pipers a first down on Anson's 39. Long rolled out around his left end for 12 yards to 27. Danny Warner carried for four, Long five and Warner picked up the first at the 17.

Later in the fourth quarter Anson intercepted Long's pass at the Hamlin 30 and drove in for the final tally with Pineda going the final 19 yards in six tries. The final carry was for two yards. Andrus kick the point after.

FROM THE EAGLE'S BEAK

Homescoming week was not only exciting but was very busy also. The Seniors and Juniors served barbecue, beans, potato salad, pie, coffee and tea in the gym Saturday evening, Nov. 6.

About 300 people attended Homescoming, a larger crowd than last year.

We certainly appreciate the help received from mothers and teachers, especially Charlene Maberry and Mr. Gran Gann. We hope to show our appreciation throughout the year by helping them in any way we can.

After the barbecue our Eagles really tried hard to beat the Ira Bulldogs, but try was all they could do. Ira won the game with a score of 53-26. We lost the game, but there will be others, and we are very proud of our Eagles for doing the best they could.

During half time activities, Ronnie Jeffery and Marion Reed were crowned as football heroes by Jeanne Acklin, head cheerleader. She gave each one a small golden football and then placed the crown on the Football Sweetheart, Ann Kemp. Miss Kemp received a bouquet of yellow roses.

Crownbearers were Andy Acklin and Bert Jeffery. Tammy Sue Jeffery and Sheila Jeffery carried the footballs. Donna Gail Ppron carried the roses.

Donna Gail Ppron carried the not last long, however. Just after the beginning of the second half Ronnie sustained a broken leg. He was taken to Hamlin hospital and then on to Hendrick Memorial Hospital in Abilene. He will be hospitalized six to eight weeks. Everyone regrets that he missed the rest of football season and will not get to take part in basketball.

After the game coffee and cookies were served in the gym. The exes enjoyed a display of annuals dating back to 1946, the first year McCauley had an annual. The senior class panels were also displayed. This was sponsored by the annual staff and the Senior Class.

After a very exciting homescoming weekend, the students first, yet everyone seemed to look to a much calmer week. The gym was put back into order, the school grounds were cleaned, and the students went back to their usual routines with many happy and a few sad memories. To the Seniors, it was the last Homescoming of their High School days. To some of the others, it was the 18th birthday, we feel it would be hard to have a better one.

Wednesday, about fifteen of the students of MHS visited Ronnie Jeffery at Hendrick Memorial Hospital in Abilene. It being his 18th birthday, we took a cake and everyone chipped in on gift, to help him pass the time in those weeks ahead. He seemed to enjoy the company and said he was doing pretty well.

Last week was picture week at McCauley. Most of the remaining pictures for the 1965 EAGLE were taken. The deadline for the first shipment of the annual was met and the work for the rest was assigned. The prospects are looking fine for a real great yearbook.

The FFA members have selected Charlotte Griffin as Chapter sweetheart. Charlotte is a freshman and one of the High School cheerleaders. She belongs to the FFA and is the fourth vice president.

Area Farm and Ranch News

By Don Elmore

Friends and neighbors of Joe Murff banded together Monday afternoon about 1 o'clock with their strippers and trailers and cleaned his fields of cotton.

By 5 p.m. they had gathered nearly 100 bales of cotton. Which is mighty fast harvesting.

It is wonderful to know that in this fast age people still have time to be good friends. Mrs. Murff has been ill for some time and Joe has not had time to harvest his crop.

The Hamlin Farmers gin of Monday had ginned 3650 bales of cotton. Watts Fletcher said he expected at least 2500 more. So the cotton is over half through.

Mr. Ollie Cohorn said the other day that this was the first year he could remember making a good crop and being through in October. It looks now like the farmers may be nearly through plowing when cold weather sets in.

The West Texas Barrel Racers Association will hold its monthly meeting here Dec. 5 at 2 p.m. There will be barrel racing, pole bending, flag racing, and if anyone has a large goat they would loan to the girls, we will have goat tying. A small free goat is preferred.

ANTIQUE & AUTHENTIC

Scrub boards, wash pots and smoothing irons are now found mostly in antique and curio shops. Midwest Electric Cooperative helped make them obsolete. The demand for these items has been supplanted by a billion dollar market for electrical equipment.

This incredible market for electric appliances is far from being saturated. The growing demand for new appliances and work saving devices by members of the electric cooperatives, nationally, will exceed one billion dollars this year.

Midwest Electric Cooperative is good for all businesses today. Good for their members... good for the economy... good for all Texans.

Door to Door Street Sign Fund Drive Opens Tonight

Local Jaycees and their wives who are members of the Jaycee-ettes will go house to house tonight (Thursday) to collect money to place 273 new street markers in the city, according to Bill Early, president. The drive will start at 5 and end at 9.

Early said that the workers might not be able to contact all of the houses in town tonight but that they would be contacted as soon as possible. Checks should be made out

to the "Jaycee Street Marker Fund". This is a donation and is deductible for Income Tax purpose.

Each solicitor will have a badge with their name attached. No receipts will be given Hamlin B.C.D. but a record of the donation will be kept.

Anyone missed in the drive may mail their check to the drive is being sponsored by the Hamlin Board of Community Development.

Hamlin Jaycees and Jaycee-ettes in cooperation with the City of Hamlin.

The new street markers, large black letters on white background, will cost approximately \$11 each. They will be set on new posts in concrete.

The plan is for the city to pay for the signs on Lake Drive and Central Avenue with donations paying for the balance of the signs. Since there will be two signs on the two main thoroughfares at each intersection and only one sign at the rest of the intersections the city will be paying for approximately half of the project.

The new markers will replace the present markers and will be placed on streets that are not marked now. There will be no change in street names or numbers.

Cotton Farmers to Vote Tuesday On Marketing Quotas for 1966

Notices of individual farm acreage allotments for the 1966 upland cotton crop have been mailed to farmers in Jones County, according to A. Darwin Hill, Chairman, Agricultural Stabilization and Conservation County Committee. Jones County received an allotment of 105,030 acres for production of 1966 upland cotton crop. This represented the County's share of the national allotment acreage of 16.2 million acres, including a national reserve of 200,000 acres to take care of minimum farm allotments. Mr. Hill stated that any question about the allotments should be taken up immediately with the ASC County Committee.

The Chairman declared that the intention is to let farmers know how the allotment program will affect their farms prior to November 23 referendum on marketing quotas for the 1966 upland cotton crop. The law requires a favorable vote by at least two-thirds of the growers voting in order to keep marketing quotas in effect.

Polling places where County farmers may cast ballots in the referendum on marketing quotas for the 1966 upland cotton crop have been announced as follows: Hamlin, Hamlin Coop Gin Office; Stamford, Farmers Coop Gin Office; Avoca, Douthitt Gin Office; Funston, Funston Gin Office; Hodges, Hodges Coop Gin Office; Noodle, Noodle Gin Office; Neinda, Neinda Coop Gin Office; Anson, ASCS Office.

Polls will be open from 8:00 A. M. to 6:00 P. M. on Tuesday, Nov. 23.

Growers eligible to vote in the referendum are all those farmers who engaged in the production of upland cotton in 1965.

If the vote is favorable, Mr. Hill explained, quotas will apply to the 1966 upland cotton

crop, with penalties on any excess cotton produced; loans and price-support and diversion payments will be available to growers who reduce their acreage at least 12.5 percent below the farm allotment, put the diverted acres into a conserving use, and meet other program provisions. Growers who elect not to participate in the reduction program will be able to apply for a share of an export market acreage reserve and to grow and export all their cotton without Government subsidy and without marketing quota penalties.

If the vote is unfavorable, he added, there will be no quotas or penalties on the 1966 upland cotton crop, no price-support or diversion payments, no export market acreage reserve, but price-support loans to growers who do not exceed their farm acreage allotment will be available at 50 percent of parity. Lease or sale of cotton allotments will be permitted under certain conditions, and the November 23 referendum will also decide whether growers wish to permit such transfers outside the particular county but within the State. The outcome of the marketing quota referendum will have no effect on the lease or sale of allotments within the county.

Issues to be decided in the November 23 referendum are (1) quotas or no quotas, (2) the price-support available, and (3) whether the board new program is to go into effect for 1966-crop upland cotton.

Rural Mail Carriers To Distribute Livestock Cards

Rural mail carriers from the Hamlin, Post Office will leave some livestock survey cards along their routes beginning November 20.

Information reported on these cards is used to set the yearly inventory of livestock and poultry on Texas farms. Postmaster Perry Sparks explained.

Rural carriers distribute the cards at random in boxes along their routes.

"This means that not every box will get a card," Mr. Sparks said. "For this reason, it's important for everyone who gets a card to return it filled out so that USDA can get a true sample of the State's livestock holdings."

Carriers assisting with the survey are: Brad Rowland, Route 1; Jack Russell, Route 2; Harold Bonner, Route 3.

Hamlin Schools Seeking \$23,145 In Federal Funds to Aid Students

The Hamlin Public Schools have made application to the State Department of Education for \$23,145.00 in Federal Funds to aid students who are behind in reading, according to Supt. C. F. Cook. The funds are granted schools that qualify under the Elementary Secondary Education Act.

Under the Act Federal funds are available to expand and improve elementary and secondary school programs for educationally deprived children in low-income areas. The Hamlin Schools, according to the 1960 census, has 165 children from low income families, less than \$2,000.00 per year.

Although low-income identifies the attendance area to be served and determines the number of children to be served, educational deprivation determines who is to participate in the reading project.

The principals and teachers have made a survey of the first five grades of the Hamlin Schools and found that there are 17 children who are from one to two years behind in reading. This program will be instituted to help these children with specially qualified teachers. The program, to qualify, must be in addition to any program the school has now.

The Hamlin schools are requesting two certified teachers, qualified to teach reading in the elementary grades, also two teacher aids to assist these teachers in order for

them to have more time with these children.

The request is also for \$5,800 in equipment and \$2,600 in teaching materials and student aids.

The children selected for the program will receive special teaching in reading one hour each day.

Applications are now being received for two teachers and two teacher aids. The teachers must be certified by the State Department of Education and a college graduate in the elementary field. The Hamlin school salary scale will be used. The teacher aids must have at least a high school education, and preferably some college work with a salary of \$225 per month.

Band to March In Contest at Midland Saturday

The Hamlin High School band will leave here at 7:15 a.m. Saturday for marching contests in Midland.

Rev. Royce Womack to Give Special Thanksgiving Message

Special Thanksgiving services will be conducted at the First Baptist Church under the auspices of the Hamlin Ministerial Alliance. The program will begin at 7:30 p.m. Wednesday, Nov. 24. This is an annual occasion in which most of the churches of the city participate. The general public is invited and urged to take advantage of this concerted effort to uphold the traditions of our patriotic and spiritual heritage. "It is most appropriate that the entire community be soberly mindful of presenting a solid front of spiritual concern for our nation's security, and express humble gratitude for God's blessings," a spokesman for the ministers said.

The program will be presided over by the vice chairman, Rev. J. C. Amburn, pastor of the Assembly of God. The message will be delivered by Rev. Royce Womack, president of the Alliance and pastor of the First Methodist Church. The music will be directed by Bill Keck, minister of music and education of the First Baptist Church. Others participating

in the program will be: Rev. Kenneth Leverett of the Fairview Baptist Church, Rev. Byron Bryant of the First Baptist Church, Rev. Marshall Stewart of the Church of the Nazarene, and Rev. C. J. Rigmalden of the Oak Grove Baptist Church.

An offering will be received for the purpose of providing funds for local benevolence work as administered by the Hamlin Ministerial Alliance. "This is the basic means of temporary relief for the needy of the community, and contributions are appreciated from all sources at any time for this purpose," according to the secretary-treasurer, Rev. Bryant.

Currently there are ten churches whose pastors cooperate with the Hamlin Ministerial Alliance. Membership is invited to all churches and is entirely voluntary. The organization is local and independent of other affiliations.

Other members churches are the Foursquare Gospel, Mexican Baptist Mission, Faith Methodist, and Central Avenue Baptist.

Hamlin Opens Basketball At Eula Tonight

FAIRVIEW NEWS

By Mrs. Elmer Joiner
After almost a week of damp weather last week the sun is shining and cotton stripping is in full swing again. Only about two afternoons last week were dry enough, so not much was accomplished. Very few fields have not been defoliated, so the most of them are ready to go, providing the weather permits.

Last Wednesday night the representatives from the Neinda, Hanna and Fairview Churches, met at the Fairview Church to plan the Brotherhood and W. M. U. between the three rural churches, since neither church is strong enough in numbers to support either of the organizations. Tuxedo was also invited to attend but they were not there, the invitation is still open to them if they wish to come in later. Forty three attended the initial meeting.

It seems that the men got organized, with Rev. Bob Watson, Hanna pastor being elected as president of the brotherhood. They will meet once a month, alternating between the churches, the first meeting to be held in the Neinda Church, Wednesday night, Dec. 8.

The ladies will meet twice a

month, one time in the day time and one time at night, when the brotherhood meets. The first meeting will be Wednesday morning, Nov. 24, 10 a.m., in the home of Mrs. Fred Rosenbaum, at which time they will elect officers. Some of the women work and cannot come to the day service, some could not come at night, so to try to do the best we can with it, it was set up for one meeting in the homes in the days and the other will be at night when the men meet, that way every woman can at least attend one time a month, of course a good number can attend both meetings. This is something new that is being tried in the rural churches, for since they are missing so many things, because of being still open to them if they wish to come in later. Forty three attended the initial meeting.

Several visitors were in church Sunday morning, some were not exactly visitors, the Jack Wrights, from Abilene, were back home. Little daughter, Melinda, went to town to church with her grandmother Wright.

Little Kimmy and Kristy Leverett were very happy to have their grandmother Tanner with them in church, Sunday morning.

day morning Mrs. Tanner had come over from Abilene, for she and the Leveretts to attend the birthday dinner, honoring her mother, Mrs. J. E. Begley, also of Abilene, in the home of Mr. and Mrs. Stanley Jackson, Sunday. Mrs. Begley will be remembered as the former Mrs. Polly Jackson, who resided at Neinda many years prior to the death of Mr. Jackson. Others present, besides the honoree and her husband, Rev. Bagley, were the Kenneth Leverett family, Mr. and Mrs. Jackson and girls, Mr. and Mrs. Vernon Harris, Mrs. Albert Galloway, Mrs. Harris and Mrs. Galloway are sisters of hers.

Nancy Ford made it home again this weekend, from Denton, where she is attending school.

Visiting in the Fred Rosenbaum home last week were Mrs. Rosenbaum's aunt, Mrs. Mary Downey and her daughter, Mr. and Mrs. Audy Bearden, all of Clifton, Texas. They had come to visit Mrs. Renfro, who is in the Hamlin Hospital, after having suffered a stroke.

Mrs. Elmer Joiner and Mrs. R. E. Ray went to Abilene last Thursday and drove Mrs. Lois Hampton to the Rehab Center, for a treatment.

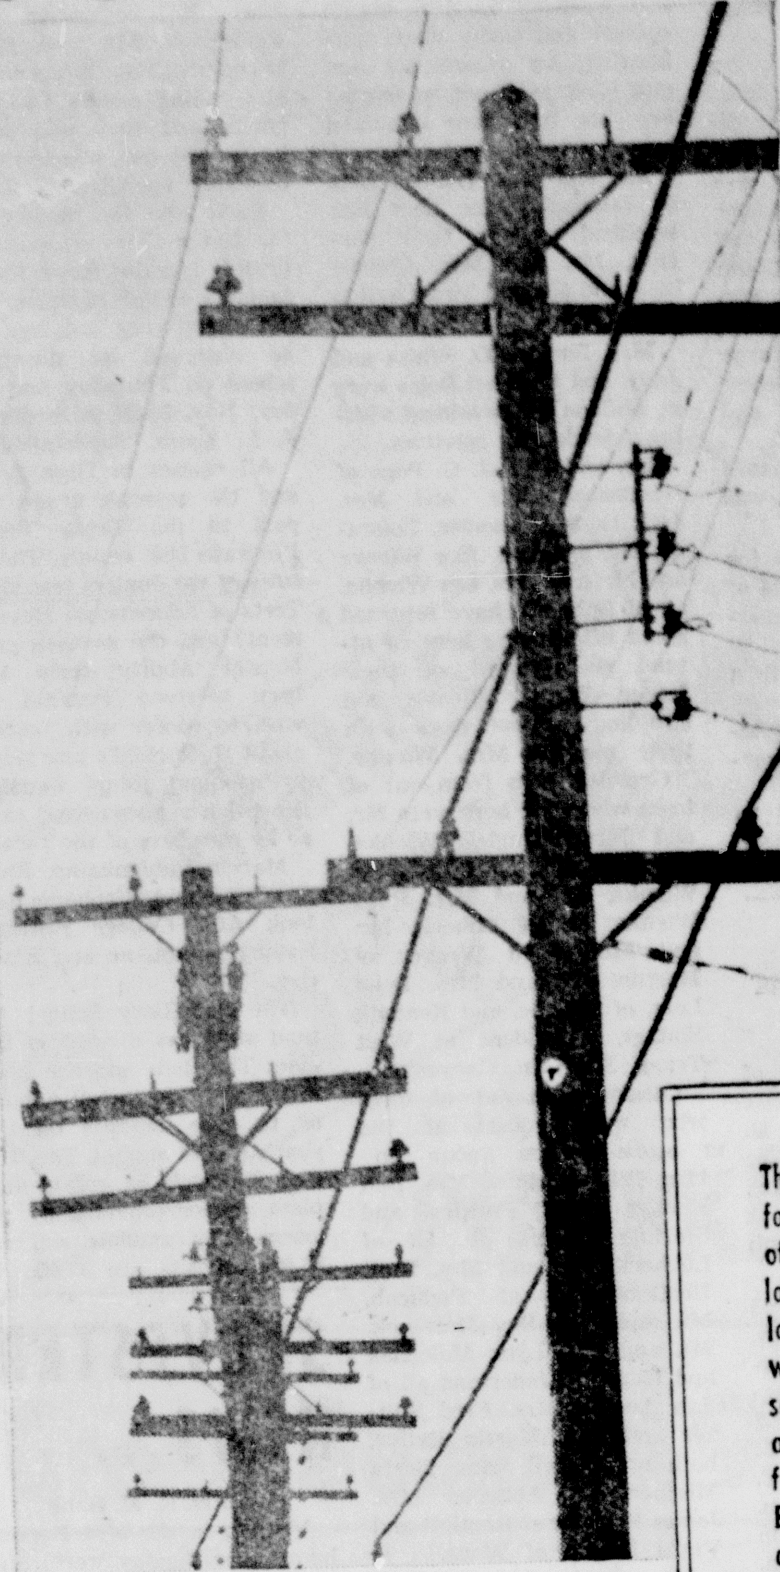

Mrs. Fred Rosenbaum visited with Mrs. Flavil Holmes, last Friday afternoon.

Mrs. Roy Dillard was buried this Monday morning, after having passed away Saturday morning from a heart attack. Services were held in the First Methodist Church, in Hamlin, with burial in the Hamlin cemetery beside her husband who passed away in 1960, also a victim of a heart attack. Mrs. Dillard, the former Jewel Williams, lived in this community at one time before her marriage to Mr. Dillard.

Since the men are so busy gathering cotton that if it is pretty would not stop long enough to quit early, even for a Thanksgiving supper so the Family Night committee has set up a new thing this month, since it is close to Thanksgiving. This coming Sunday we will all bring our lunch and eat together at the church, some of us have been discussing this for some time, we think it will be very nice. It will be a pot luck affair, every one bring a covered dish or two and put it all together. Any visitors wishing to come be with us are welcome to be there, you can come and bring a dish or come without one, we can almost safely say that you will have plenty to eat. Mrs. Leverett will be the pianist for the revival at the Central Avenue Church, this week. We all hope to attend some of their services this week, for we learned to love their pastor, Rev. Bill Irwin, last summer when he preached at our revival, also many of their members.

The San Antonio "Express" took its name from the Alamo Express, first published in San Antonio in 1860 as a Union newspaper, but destroyed in 1861 by secession sympathizers.

COMMUNICATION

Telephone lines spread across our nation, giving us immediate contact with loved ones. Vital business is rapidly contracted through this medium.

Our linkage to God is prayer. Through prayer we can express our love, our thanks, and seek God's help.

"Hearken unto the voice of my cry, my King, and my God: for unto thee will I pray."

Attend church, join others in fellowship and prayer to God.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Anson Scored In Every Quarter Friday Night to Down Pipers, 28-8

Anson scored in every quarter Friday night to down the Piped Pipers, 28-8, in the season's final for both teams. Hamlin's lone touchdown came early in the last quarter. The Pipers had two drives fumble out on them when they lost the ball via the fumble route.

While the Pipers were able to contain the Tigers ground attack, their passing game kept the Pipers in trouble. The Tigers scored one TD from the air and gained most of their yardage to set up two other scores with air strikes. Only on their final drive did they stay on the ground.

Top offensive gainer for the game was Anson's Daril Pineda with 80 yards in 21 carries. Top for Hamlin was Sammy Ferguson with 62 yards in 13 carries.

The game opened up with a punting and quick kicking duel with both teams kicking twice before Anson took to the air with Pineda driving in for his final five yards on three plunges. The extra point try failed.

The Pipers drove back down to the Anson 25 before giving up the ball to Anson at the 22 on a fumble.

Anson moved back down the field to score early in the second quarter with Craig Huber passing to End Mike Brown for the score. The play covered 26 yards. Pineda carried in for the two points.

Hamlin drove from its 20 down to the Tiger 29 before fumbling again.

Anson recovered a Hamlin fumble on the Piper 38 to set up their next score. A 29 yard pass play from Huber to Mike Puschel was the big gainer with Gary Don Boyd going for the score from the eight. Eddie Andrus kicked the point after.

The Pipers recovered a Tiger fumble on their own 36 to open up their scoring drive late in the third period. Facing a third and eight situation, Paul Long connected with James Ledbetter for eight yards and Anson drew a 15 yard penalty to give the Pipers a first down on Anson's 39. Long rolled out around his left end for 12 yards to 27. Danny Warner carried for four, Long five and Warner picked up the first at the 17.

in was set back five yards with a penalty as the quarter ended. Warner ripped off 10 yards and Anson was penalized to the five. Long was stopped for no gain and Johnny Snapp powered his way in for the score. Long carried in over his left end for the two points.

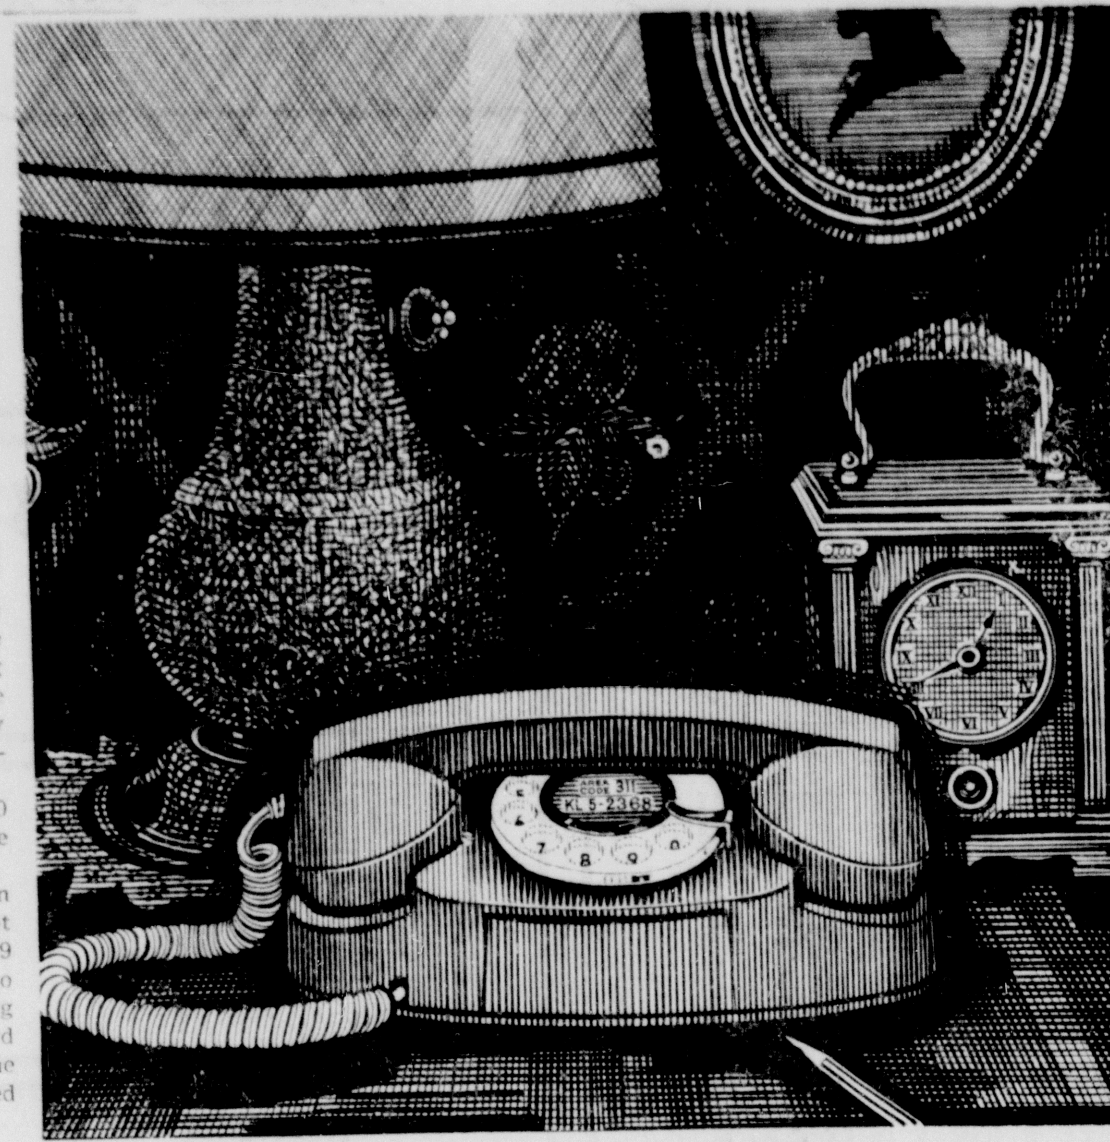

Later in the fourth quarter Anson intercepted Long's pass at the Hamlin 30 and drove in for the final tally with Pineda going the final 19 yards in six tries. The final carry was for two yards. Andrus kick the point after.

Scrub boards, wash pots and smoothing irons are now found mostly in antique and curio shops. Midwest Electric Cooperative helped make them obsolete. The demand for these items has been supplanted by a billion dollar market for electrical equipment.

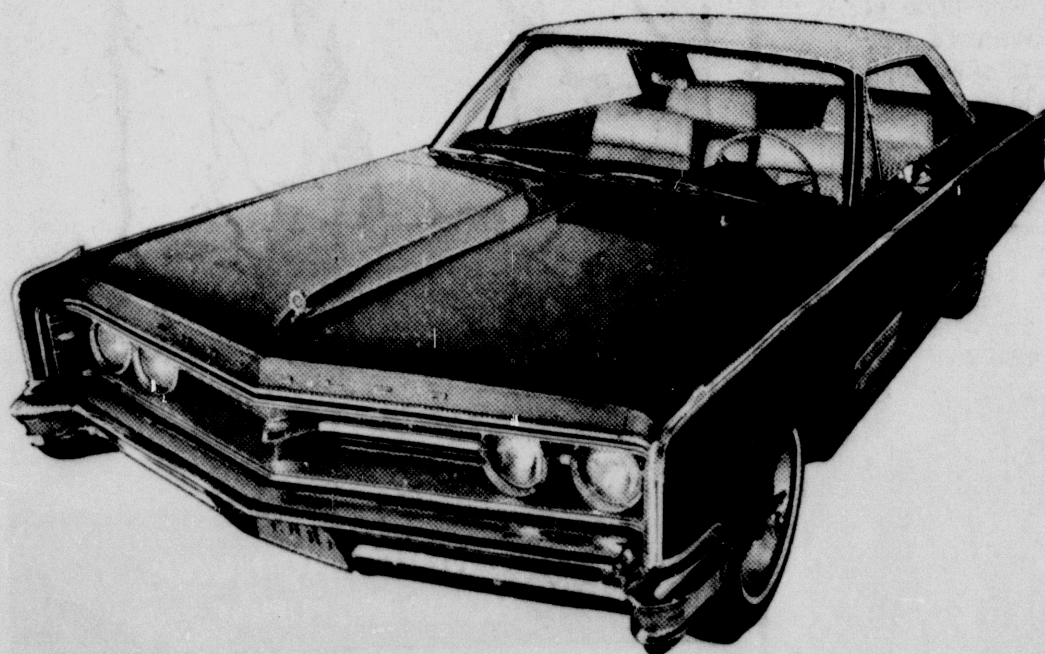

This incredible market for electric appliances is far from being saturated. The growing demand for new appliances and work saving devices by members of the electric cooperatives, nationally, will exceed one billion dollars this year.

Midwest Electric Cooperative is good for all businesses today. Good for their members... good for the economy... good for all Texans.

FROM THE EAGLE'S BEAK

Homecoming week was not only exciting but was very busy also. The Seniors and Juniors served barbecue, beans, potato salad, pie, coffee and tea in the gym Saturday evening, Nov. 6.

About 300 people attended Homecoming, a larger crowd than last year.

We certainly appreciate the help received from mothers and teachers, especially Charlene Mahberry and Mr. Oran Gann. We hope to show our appreciation throughout the year by helping them in any way we can.

After the barbecue our Eagles really tried hard to beat the Ira Bulldogs, but try was all they could do. Ira won the game with a score of 53-26. We lost the game, but there will be others, and we are very proud of our Eagles for doing the best they could.

During half time activities, Ronnie Jeffery and Marion Reed were crowned as football heroes by Jeanne Acklin, head cheerleader. She gave each one a small golden football and then placed the crown on the Football Sweetheart. Ann Kemp, Miss Kemp received a bouquet of yellow roses.

Crownbearers were Andy Acklin and Bert Jeffery. Tammy Sue Jeffery and Sheila Jeffery carried the footballs. Donna Gail Ppron carried the roses.

Donna Gail Pyron carried the not last long, however. Just after the beginning of the second half Ronnie sustained a broken leg. He was taken to Hamlin hospital and then on to Hendrick Memorial Hospital in Abilene. He will be hospitalized six to eight weeks. Everyone regrets that he missed the rest of football season and will not get to take part in basketball.

After the game coffee and cookies were served in the gym. The exes enjoyed a display of annuals dating back to 1946, the first year McCaulley had an annual. The senior class panels were also displayed. This was sponsored by the annual staff and the Senior Class.

After a very exciting Homecoming weekend, the students first, yet everyone seemed to down to a much calmer week. The Gym was put back into order, the school grounds were cleaned, and the students went back to their usual routines with many happy and a few sad memories. To the Seniors, it was the last Homecoming of their High School days. To some of the others, it was the 18th birthday, we feel it would be hard to have a better one.

Wednesday, about fifteen of the students of MHS visited Ronnie Jeffery at Hendrick Memorial Hospital in Abilene. It being his 18th birthday, we took a cake and everyone chipped in on gift, to help him pass the time in those weeks ahead. He seemed to enjoy the company and said he was doing pretty well.

Last week was picture week at McCaulley. Most of the remaining pictures for the 1965 EAGLE were taken. The deadline for the first shipment of the annual was met and the work for the rest was assigned. The prospects are looking fine for a real great yearbook.

The FFA members have selected Charlotte Griffin as Chapter sweetheart. Charlotte is a freshman and one of the High School cheerleaders. She belongs to the FFA and is the fourth vice president.

Friends and neighbors of Joe Murff banded together Monday afternoon about 1 o'clock with their strippers and trailers and cleaned his fields of cotton.

By 5 p.m. they had gathered nearly 100 bales of cotton. Which is mighty fast harvesting.

It is wonderful to know that in this fast age people still have time to be good friends. Mrs. Murff has been ill for some time and Joe has not had time to harvest his crop.

The Hamlin Farmers gin as of Monday had ginned 3650 bales of cotton. Watts Fletcher said he expected at least 2500 more. So the cotton is over half through.

Mr. Ollie Cohorn said the other day that this was the first year he could remember making a good crop and being through in October. It looks now like the farmers may be nearly through plowing when cold weather sets in.

The West Texas Barrel Racers Association will hold its monthly meeting here Dec. 5 at 2 p.m. There will be barrel racing, pole bending, flag racing, and if anyone has a large goat they would loan to the girls, we will have goat tying. A small free goat is preferred.
